- Our premium SteamGlide Plus soleplate for a superb glide

Safe ironing
- Quick Calc Release for longer lasting steam performance
- Self-Clean for long-lasting steam performance

Comfortable ironing
- Auto Steam Control for the right steam for each garment
- Triple precision tip for optimal control and visibility
- Optimal weight for easiest manouvrability over your garments

PHILIPS

Steam iron
180 g steam boost SteamGlide Plus Soleplate, 2400 W, Quick Calc Release

GC4511/40

Highlights

2400W for quick heat up

With the 2400W the Azur Performer steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 180 g

The iron's 180 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide Plus soleplate

Our best gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully design vents secure a well balanced steam distribution.

Quick Calc Release

Regularly cleaning the iron from calc results in longer lasting steam iron performance and better ironing results. Our Quick Calc Release makes the regular cleaning of loose calc in the steam iron as easy as emptying the water after each ironing session. The very efficient Self Clean function will do the rest.

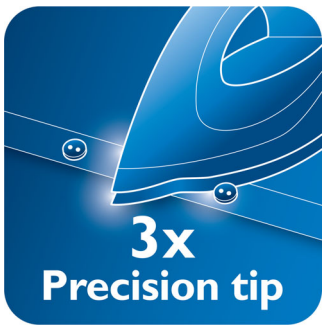
Self-Clean

In addition to the Quick Calc Release a more thorough clean of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Triple Precision Tip



The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.
